加速马中双边贸易

首先，我要恭贺巴生中华总商会连续第2年举办巴生义乌友好城市国际商品展暨义乌博览会境外马来西亚展，再次为马中贸易增添光彩。

今年适逢马中建交40周年，首相拿督斯里纳吉在5月访华，取得了巨大突破。马中两国领导人在人民大会堂签署了联合公报，双方同意根据2013年10月签署的《中华人民共和国政府与马来西亚政府经贸合作五年规划》（2013年—2017年），积极鼓励和支持双向投资，努力实现2017年双边贸易额1600亿美元的目标。

这也意味着，马中两国在接下来的几年内必须在双边贸易和投资方面快马加鞭，以达到五年规划所定下的战略目标。对于我国各类型企业而言，这将会有许多值得开拓的商机。因此，我国华商必须积极努力，主动出击，创造更多有利经商的条件。

大马华商熟谙多种语言，也熟悉马中两地的政治、经济和文化环境。自中国改革开放以来，大马华商是其中最早进入中国市场的外商之一，经过30多年的努力，许多在中国的大马华商已经建立起成功的事业，在各种领域都有不俗的表现。在中国积极推动“招商引资”以及中资企业“走出去”战略的大背景之下，大马华商占据了先拔头筹的优势。

近年来中国大力推动“21世纪海上丝绸之路”的建设，地处国际战略水道-马六甲海峡的巴生中华总商会积极主办巴生义乌友好城市国际商品展暨义乌博览会境外马来西亚展，成为我国民间商团与中国政府单位及民间组织合作共赢的典范，这对促进两国的贸易畅通和民间往来而言意义深远。

习近平主席在去年访马时强调马中关系“切水不断”，马中关系已经进入了历史的最好阶段。谨此祝贺第2届巴生义乌友好城市国际商品展暨义乌博览会境外马来西亚展取得圆满成功，为深化马中关系贡献更多力量。

Boosting bilateral trade between Malaysia and China

First of all, I wish to congratulate the Klang Chinese Chamber of Commerce and Industry (KCCCI) for successfully organising the Klang Yiwu Friendship Cities International Commodities Exhibition & Yiwu Fair @ Malaysia for the second year in a row, and once again adding lustre to the growing trade between Malaysia and China.

This year marks the 40th anniversary of diplomatic ties between Malaysia and China and the visit to China in last May by our Prime Minister Dato Seri Najib Razak achieved monumental success when leaders of the two countries signed a joint statement at the People's Great Hall to actively encourage and support bilateral investment in accordance with the 5-Year (2013-2017) Programme on Economic and Trade Cooperation Between the People's Republic of China and Malaysia entered into in October 2013 as part of the efforts to achieve the USD160 billion bilateral trade target by 2017.

This also means that Malaysia and China must intensify their bilateral trade and investment in the next few years so as to achieve the strategic goal set by the 5-year programme. To enterprises in Malaysia, this will certainly create ample opportunities worthy for exploration. Hence, Malaysian Chinese business people must double their efforts and initiatives to take advantage and create more favourable conditions for business.

Malaysian Chinese business people are multilingual and have a good understanding of the political, economic and cultural settings in the two nations. Malaysian Chinese entrepreneurs were among the first foreign investors to enter the Chinese market when China began to implement its policy of reforms and opening up, and after three decades of efforts, many of them have succeeded in their business ventures and achieved outstanding performance in their respective fields. In line with China's strategy to attract foreign investors and encourage Chinese enterprises to "go global", Malaysian business people have the advantage of being at the forefront of such a megatrend.

In recent years, China has been strongly advocating the construction of the 21st Century Maritime Silk Road and the organisation of the Klang Yiwu Friendship Cities International Commodities Exhibition Yiwu Fair @ Malaysia by KCCCI, which is located at the strategic international sea route—the Strait of Melaka, represents an example of cooperation and win-win situation between private business organisations in Malaysia and governmental units and private bodies in China and has far-reaching significance on the promotion of trade and people-to-people exchanges between the two countries.

During his visit to Malaysia in 2013, Chinese President Xi Jinping stressed that the Malaysia-China ties are 'unseverable as flowing water' and the relations between the two countries had entered the best stage in history. With that, I wish the 2nd Klang Yiwu Friendship Cities International Commodities Exhibition and Yiwu Fair @ Malaysia success and hope that it will contribute further to the deepening of the ties between Malaysia and China.

借力走向世界3大市场

今年是马中建交40年，两国关系已日臻成熟，并展现了蓬勃活力和强劲的经贸往来。

中国是我国连续5年的最大贸易伙伴，而我国也是中国自2008年以来，东盟里最大的贸易伙伴，马中双边贸易额也在2013年突破千亿美元，彰显两国贸易已从纤纤小树，茁壮成长，枝繁叶茂。

巴生港口拥有优越的战略地理位置，我国政府也为外资提供多方面的优惠政策，尤其是在巴生港自由贸易区，我国政府也为到这里投资的外商提供10年的免税优惠。

在大马投资，是3个市场的叠加。第一是东盟市场，大马是在亚洲继日本及韩国之后，对中国贸易突破千亿美元的国家，也是东盟第2先进的国家。第二是世界清真市场，大马是世界穆斯林国家中清真产品生产与技术最先进的国家，清真认证更是世界权威。第3是大马是英联邦国家中，产品受到广大欢迎的国家。

东盟国家拥有6亿人口，全球穆斯林有18亿人口，英联邦53个国家拥有18亿人口。巴生港口是全球第13大港口，她衔接世界各地港口，是个发展完善的港口。

国际贸易及工业部积极与私人企业持续合作，把更多有潜质的中国投资者引进我国，政府相信随着中国迅速发展，以及中国政府鼓励中企，以自创品牌挺进世界，而大马拥有许多投资优势，可协助中企，通过这平台，借力使力走向世界3大市场，尤其是清真市场。

由巴生中华总商会主办的“巴生义乌友好城市国际商品展暨义乌博览会境外马来西亚展”是个让中国商家及投资者，更深入了解到马来西亚投资的一项展会，商家不仅可通过这展会寻找买家，同时也可寻得合作伙伴。

巴生中总致力于促进华商，与其他商团、工业团体、及商业公司的联系与合作，并积极维护会员权益和发展。巴生中总促进国家经济，建树良多，功不可没。

在此，谨祝“巴生义乌友好城市国际商品展暨义乌博览会境外马来西亚展”圆满举行。

Targeting three global markets

This year marks the 40th Anniversary of the Establishment of Diplomatic Ties between Malaysia and China. The relations between the two nations are maturing as evidenced by the vibrant and robust economic and trade exchanges between Malaysia and China.

For five years consecutively, China is Malaysia's biggest trading partner and Malaysia has been China's biggest trading partner in ASEAN since 2008. In 2013, the trade volume between the two nations breached the USD100 billion mark, reflecting the flourishing trade between the two nations.

Port Klang commands an excellent, strategic geographic location. In addition, the Malaysian government offers multiple incentives for foreign investors, especially those investing in the Port Klang Free Trade Zone. They will enjoy 10 years' tax exemption.

Investing in Malaysia means investing in a larger market comprising three markets. The first is the ASEAN market where Malaysia is the third country achieving a USD100 billion trade volume with China, after Japan and South Korea. Malaysia is also the second most developed economy in ASEAN. The second is the world's halal market. Malaysia is the most advanced nation among the world's Islamic countries in the production technology of halal products and the world's recognized authority on halal certification. The third is the Commonwealth market where Malaysian products are popular with consumers.

ASEAN has a combined population of 600 million while the 53 Commonwealth countries has a combined population of 1.8 billion. Being the 12th largest port in the world, Port Klang is well-developed and well connected with all major ports in the world.

The Ministry of International Trade and Industry has been actively collaborating with the private enterprises to attract more potential investors from China to put their money here. The government believes that in view of the rapid development of China and the encouragement of the Chinese government given to its domestic enterprises to go global by creating their own brands coupled with many plus points Malaysia has to offer to investors, we are in the position to assist enterprises from China to take full advantage of this platform to venture into the three global markets, especially the halal market.

The Klang Yiwu Friendship Cities International Commodities Exhibition and Yiwu Fair @ Malaysia organized by the Klang Chinese Chamber of Commerce and Industry (KCCCI) offers a window for entrepreneurs and investors from China to gain an understanding about investing in Malaysia. They will not only be able to look for their intended buyers but also cooperative partners at this exhibition.

The KCCCI has been striving to promote ties among the Chinese business community and other trade organisations, industrial bodies and commercial companies while actively safeguarding its members' rights and interest and development. The contributions of the KCCCI to the development of the nation's economy are enormous and undisputable.

Finally, I wish the Klang Yiwu Friendship Cities International Commodities Exhibitions and Yiwu Fair @ Malaysia success.

Building lasting robust business ties between Malaysia and China

In conjunction with the opening of the 2nd Klang Yiwu Friendship Cities International Commodities Exhibition 2014 (KYICE). On behalf of the Economic and Commercial Counsellor's Office of the Embassy of the People's Republic of China in Malaysia, I wish to extend our warmest congratulations to the organizer.

2014 marks the 40th anniversary of the establishment of diplomatic ties between Malaysia and China. Over the last four decades, ties between the two countries have grown by leaps and bounds with increasing economic and trade exchanges, resulting in the comprehensive, stable, and pragmatic development of the China-Malaysia relations. In particular, the collaboration in trade, investment, infrastructure construction in recent years by the two countries is fast gaining momentum as evidenced by the steadily expanding trade between the two nations both in terms of volume and level.

For many years, the Klang Chinese Chamber of Commerce and Industry (KCCCI) has contributed significantly and played a positive role as the bridge and link in the promotion of economic and trade cooperation between China and Malaysia. By jointly organising the Klang Yiwu Friendship Cities International Commodities Exhibition, Klang is leveraging its unique advantage as a port city and its Free Zone and by the fact that Yiwu is an important small commodities hub of China, coupled with the ties between Klang and Yiwu as friendship cities. This will have important significance in further promoting and expanding the bilateral trade between China and Malaysia. I hope the two cities could continue their efforts to strengthen their exchanges and sincere collaboration to build an even bigger platform of cooperation for business people from China and Malaysia!

We wish the 2nd Klang Yiwu Friendship Cities International Commodities Exhibition 2014 great success!

投资雪州·互利共赢

雪兰莪州是马来西亚其中获得国内外投资者青睐的州属, 今年上旬, 雪州投资情况非常亮眼, 在批准的40个国内外投资项目中, 共取得逾11亿令吉投资额, 6亿4千万令吉的本地投资额更超越各州, 成为马来西亚本地投资之冠。

雪州在各方面优势, 包括交通、医疗、基本建设等条件, 令它持续在国内投资榜上居高, 在今年首两个月分别取得6亿4335万3081令吉的本地投资额, 外资则达4亿7453万9094令吉。

雪州在本地投资方面向来表现卓越, 一路领先各州属, 再次证明雪州的投资优势, 州内经商环境及基建完善, 海内外商家投资获利, 所以愿意持续投资及扩充营业。

由巴生市议会主催, 巴生中华总商会主办的“巴生义乌友好城市国际商品展”, 已成功连续主办2届, 吸引超过200家中企参展, 以及数以万计买家前来参观, 州政府期望通过展览会, 中企将深入了解雪州优势, 进而在这里投资和拓展海外业务

雪州巴生拥有多个工业园区, 包括在巴生北港的清真产业园区等, 州政府期待马来西亚作为世界清真权威的优势, 以及东盟庞大的清真市场, 可吸引更多中企来到来投资“清真行业”, 而“巴生义乌友好城市国际商品展”就搭建了这样一个良好平台, 今年展会更加入“清真特区”, 相信将可达到宣传我国清真行业发展的详情。

目前雪州的外国工业投资则占28%, 远远不及本地投资, 透过雪州投资中心(SSIC), 雪州政府将持续加强在海外宣传, 以期吸引更多外国商家到大马投资, 包括中国, 希望这可引入更多海外新投资, 以平衡州内投资局面, 让雪州投资整体发展更健康。

马中两国建交历史悠久, 人民往来密切, 近年来, 两国双边贸易额更是以双位数的比例稳定增长, 这都为两国企业的合作和交流奠定了基础, 州政府商贸考察团到中国考察成果丰硕, 州政府对中马两国企业的合作也越来越有信心, 州政府期望更多的企业到中国交流学习, 也希望能有更多的中国企业来马投资发展, 让两国企业的商贸考察形成实质性效果, 实现互利共赢。

谨此, 再次恭贺“巴生义乌友好城市国际商品展”圆满成功。

Invest in Selangor for Mutual Benefits and Gains

Selangor is one of the states in Malaysia favoured by local and foreign investors. In the first half of 2014, the State has chalked up a sterling performance by successfully attracting investments totaling over RM1.1 billion on 40 approved local and foreign projects in the State. Of the total investments achieved, RM640 million comprised local investments which topped any other states, making Selangor the top state in the country in attracting local investments.

Selangor's other pluses in terms of connectivity, medical care, and sound infrastructure have contributed to its top ranking as the most invested state. For the first two months of this year, it attracted local and foreign investments totaling RM643,353,081 and RM474,539,094 respectively. The remarkable performance of Selangor in attracting local investment ahead of all other states once again proves the investment edge enjoyed by the State. Local and foreign investors alike are willing to continue investing and expanding their business here in view of its sound business environment and infrastructure.

The Klang Yiwu Friendship Cities International Commodities Exhibition (KYICE) promoted by the Klang Municipal Council and organized by the Klang Chinese Chamber of Commerce and Industry (KCCCI) enters its second year. It has attracted the participation of over 150 enterprises from China and thousands of buyers and visitors. It is the hope of the Selangor State Government that this exhibition will enable enterprises from China to gain a better understanding of the advantage commanded by Selangor, and thereby investing or expanding their overseas activities here. There are a number of industrial parks in Klang, including the Selangor Halal Hub located in the Klang North Port, and the State Government hopes to attract more enterprises from China to invest in the halal industry given Malaysia's advantage as a authority in halal products and the immense halal market in the ASEAN region. In this aspect, the KYICE has provided an excellent platform. Furthermore, with the addition of a Halal Zone in this year's exhibition, it is believed that it can help publicize the development of the local halal industry to visitors.

Presently, foreign industrial investment value accounts for 28% of the total investment achieved by Selangor, far less than the local investment value. The State Government will continue to intensify its overseas promotion efforts through the Selangor State Investment Centre (SSIC) and hopes to attract more foreign business people, including those from China, to investment in Malaysia thereby wooing more new foreign investments to balance the State's investment landscape and promoting a healthier development of investment in the State.

Malaysia and China have a long history of ties and close people-to-people exchanges. In recent years, bilateral trade between the two countries continues to record double-digit growth, laying a solid foundation for collaboration and exchanges among enterprises from both countries. At the meantime, state economic and trade missions to China have achieved remarkable results and the State Government is increasingly confident about the cooperation among enterprises from the two nations. The Selangor State Government hopes that more Malaysian enterprises could visit China to learn from their Chinese counterparts and that more enterprises from China could invest and develop in Malaysia to achieve substantial results for trade missions from the two nations, creating mutual benefits and gains.

I wish to take this opportunity to once again wish the Klang Yiwu Friendship Cities International Commodities Exhibition success.

提升巴生知名度

巴生开埠以来，一直是马来西亚首要港口城市，在东盟区域，甚至国际海运航线扮演重要角色，巴生是目前世界排名第13大港口。

在陆路交通措施方面，巴生可谓四通八达，拥有多条高速大道衔接，包括衔接南北大道的新巴生谷大道、宜力和沙亚南大道及联邦大道，高速也接通首都吉隆坡、布特拉再也行政中心及吉隆坡国际机场，南下北上极之便利。

除了公路建设完善，轨道设备的电动火车也衔接巴生和首都。巴生距离吉隆坡国际机场仅40分钟车程。

从地利，再加上国际港口优势，巴生具有发展国际展会地点的潜能。因此，2012年，当巴生中华总商会提出巴生及中国义乌缔交友好城市时，巴生市议会毫不犹豫的给予支持。

首届“巴生义乌友好城市国际商品展销会”去年圆满成功举行，吸引超过100家中国义乌企业及100家本地商家参展，以及超过3万名参观者，其中不乏买家、游客和本地商家，空前的盛况，显示了展会丰富内容，这也大幅度提升巴生知名度。

展会圆满成功，获益的不仅是商家，也直接刺激巴生经济发展，尤其是旅游业、酒店业，餐饮业及零售业，这是“多赢”的商业活动。

巴生市议会致力提升所管辖地区的基本设施、民生服务及城镇规划管理外，也必须对促进经济发展及商业活动负责，政府的亲商政策，涵盖了市议会给予的服务和城市管理。

“巴生义乌友好城市国际商品展销会”已连续主办2年，巴生市议会将持续给予支持，并期望这展销会成为巴生年度活动之一，期望海内外商家，通过此平台，拓展业务，布局海外。

巴生市议会热烈欢迎海内外商家及买家，到“皇城”来作客。在巴生，您将亲身体验我国各民族和谐相处的精神，走一趟巴生皇城，仿如走趟小亚细亚。

预祝“巴生义乌友好城市国际商品展销会”圆满成功。

Boosting Klang's Visibility

Since its founding, Klang has been the premier port city of Malaysia and is playing an important role in the ASEAN region and even in international shipping. It now ranks the 13th largest port in the world.

In terms of road connectivity, Klang is conveniently accessible via a wide network of highways and expressways, including the New Klang Valley Expressway linking the North-South Expressway, ELITE, KESAS and Federal Highway, Kuala Lumpur, the national capital, Putrajaya Administrative Centre, and Kuala Lumpur International Airport (KLIA).

In addition to sound road networks, there is a commuter rail link linking Klang and the federal capital, and KLIA is only a 40 minutes drive away from Klang.

Given its strategic geographical location and the advantage as an international port, Klang has the potentials to become an international exhibition and convention centre. For this reason, the Klang Municipal Council extended its full support to the initiative by the Klang Chinese Chamber of Commerce and Industry (KCCCI) to establish friendship city ties with Yiwu, China in 2012.

The inaugural Klang-Yiwu Friendship Cities International Commodities Exposition was successfully held last year and attracted the participation of over 100 enterprises from Yiwu City, China and Malaysia and over 30,000 visitors, including international and local buyers, tourists and business people. The overwhelming response to the event had greatly boosted the visibility of Klang.

The success of the expo had not only benefited the business community but also directly spurred the economic development of Klang, especially the tourism, hospitality, food and beverages and retail sectors, making it a “all win” event.

The Klang Municipal Council strives to upgrade the infrastructure in areas under its jurisdiction and improve services to the people and town planning. In addition, it is also responsible for promoting economic development and business activities, implementing business-friendly policies in terms of the services rendered by it and urban management.

As the Klang-Yiwu Friendship Cities International Commodities Exposition enters its second year, the Klang Municipal Council will continue to extend its support to the event and hopes that it can be made an annual fair and become a platform for local and foreign business people to explore their business and international market.

We would like to extend our warm welcome to local and international buyers and business people to visit this Royal Town and have a first-hand feel of its racial harmony and diversity as you will have a truly Asian experience here.

Lastly, I wish the Klang-Yiwu Friendship Cities International Commodities Exhibition a great success.

搭建平台·布局国际

巴生中华总商会举办“第2届(2014)巴生义乌友好城市国际商品展”，出版展会指南，承蒙邀请撰写献词，至感荣幸。

巴生中华总商会自2012年积极推动“巴生义乌友好城市国际商品展”，并成功于2013年主办首届展览会，获得海内外企业、马中政府以及许多非政府机构支持及肯定，展会圆满成功，可喜可贺。

今年，马来西亚与中国欢庆建立邦交40周年。过去数十年以来，无论政府和民间，马中两国情谊切水不断，两国商谊尤其密切。马来西亚中华总商会（中总）也在今年庆祝68周年纪念，中总多个属会已有逾百年历史，大马华商在多元文化、种族及宗教的环境下，累积了“多元经商经验”的优势。“多元经商经验”使华商更容易接近世界各地不同层面的商机，尤其是目前占全球总人口25%的清真市场，以及世界人口最多的东盟-中国自由贸易区。

在面对当前多个东盟国家中小企业迅速发展，而我国中小业面临转型升级的关键时刻，创造更多平台，让我国中小企业挺进国际，尤为重要。义乌是中国最大及世界闻名的小商品批发城，大马则是东盟10国的贸易中枢，也是世界清真认证权威，透过“2014年第2届巴生义乌友好城市国际商品展”，巴生中华总商会正积极为我国中小企业和海外商家创造“双赢平台”。中总期望“巴生义乌友好城市国际商品展”这一平台能为大马华商及海外商家，尤其中国企业，搭建一座共同挺进东盟，前进中东，进入印度，辐射全球的桥梁。

谨此衷心祝愿“第2届(2014)巴生义乌友好城市国际商品展”圆满成功。

Creating a Platform with Global Perspective

It is my great pleasure and honour to be invited to give a message for the Exhibitors' Manual to be published in conjunction with the Second Klang Yiwu Friendship Cities International Commodities Exhibition (2014) (KYICE).

Since 2013, the Klang Chinese Chamber of Commerce and Industry (KCCCI) has been actively promoting the KYICE and successfully organised the inaugural exhibition in 2013 which was well received and recognised by local and foreign enterprises, the government of Malaysia and China, and various private organisations. The efforts by KCCCI should be commended and congratulated.

This year marks the 40th anniversary of diplomatic relations between Malaysia and China. Over the decades, the friendship between the governments and peoples of Malaysia and China has always prevailed and the business ties between the two countries are even closer. The 40th diplomatic ties anniversary coincides with the 68th Anniversary of the Associated Chinese Chambers of Commerce and Industry of Malaysia (ACC-CIM) which comprises many century-old Constituent Chambers. Operating in a multi-cultural, multi-racial and multi-religious environment, Malaysian Chinese business people have acquired the advantage of a “multi-faceted business experience”, bringing them closer to opportunities arising at different levels and in different parts of the world, in particular the halal market which comprises 25% of the world's population and the World's most populous ASEAN-China Free Trade Area.

In view of the rapid development of small and medium enterprises (SME) in many ASEAN countries and the critical moment of industrial transformation and upgrading for Malaysian SMEs, it is vital to create more platforms for local SMEs to go international. Yiwu is the largest small commodities wholesale city in China and an internationally famous trade city while Malaysia is a trade hub for the ten ASEAN countries and a halal certification authority in the World. By holding the 2nd KYICE 2014, the KCCCI is in fact actively creating a ‘win-win’ platform for local SMEs and foreign business people. It is the hope of ACCCIM that the event will provide a platform for Malaysian Chinese and overseas business people, in particular enterprises from China, to build a common bridge to venture into the Middle East, India and the rest of the world.

I take this opportunity to sincerely wish the 2nd KYICE 2014 success.

挺进东盟·前进中东

自先贤南来，马中经贸活动频繁，而海上丝绸之路的东西方经贸，巴生扮演关键中枢角色，巴生是世界第13大港口，是东盟区域进出口经贸重要枢纽，拥有这“国际物流枢纽”的优势，巴生拥有无限的经贸契机。

2012年，巴生中总促成了巴生市议会和中国义乌市政府签署友好城市意向书，也在2013年主办首届“巴生义乌友好城市国际商品展”，今年再接再厉举办第2届，展览摊位比去年增加近100个，显示这平台已创造无限商机。

自东盟10+1自由贸易区于2010年启动以来，东盟加上中国这拥有20亿人口的经济圈，已成了世界企业布局的重要区域。东盟是目前世界发展最迅速的区域，有3.9亿人口的劳动力，其中1.5亿为年龄介于15至30岁的年轻人口。

近年来，不少世界企业及品牌纷纷进军东盟国家，显示拥有高年轻人口市场的东盟，将是世界新贵。中国通讯科技品牌小米，也在今年进军大马，通过大马向东盟探温和叩门，而小米也在大马取得骄人销售业绩。

巴生中总维护华商权益义不容辞，更致力于建立“多赢平台”，为华商开拓更多商机，尤其是如今面临严峻考验的中小型企业，巴生中总更高度的关注。

巴生中总相信，资源整合，借力使力，结交市场臂膀，携手走向世界，“巴生义乌友好城市国际商品展”绝对是个有力的平台。

巴生和义乌以友好城市结交，巴生中总不遗余力主办“巴生义乌友好城市国际商品展”搭建“多赢平台”，力邀中国义乌、我国及东盟区域的企业，带着优质产品和品牌参展，并通过各国领事馆邀请国际买家，前来参与展会。

2014年“巴生义乌友好城市国际商品展”的主题是“挺进东盟·前进中东”，巴生中总寄望这个平台，可创造百亿商机。在此，预祝大家收获丰硕，圆满成功。

Advances to ASEAN, Towards the Middle East

Klang has been playing a pivotal role in the close economic and trade activities between Malaysia and China as well as in the East-West trade of the Maritime Silk Road since our forefathers migrated to the south. Now, as the world's 13th largest port Klang is an important import-export hub for the ASEAN region. Given this edge as an international logistic hub, Klang offers enormous business opportunities.

In 2012, the Klang Chinese Chamber of Commerce and Industry (KCCCI) successfully promoted the inking of the letter of intent on the establishment of Friendship Cities ties between the Klang Municipal Council and Yiwu City of China, and organised the inaugural Klang Yiwu Friendship Cities International Commodities Exhibition (KYICE) in 2013. Building on the success of the 2013 event, KCCCI is organising the second KYICE with an increase in the number of exhibition booths by nearly 100, reflecting the abundant business opportunities created by this platform.

Since the implementation of the ASEAN 10 + 1 Free Trade Area in 2010, this economic rim with a combined population of 2 billion from ASEAN and China has become a strategic domain for corporate development. Today, ASEAN is the fastest growing region in the world with a labour force of 390 million, of which 150 million are young people aged 15 to 30. In recent years, many world-class companies and brands have set their foothold in ASEAN countries, making ASEAN a new favourite for the world's business players attracted by its vast young people market. For example, China's emerging communication technology brand Xiaomi has landed in Malaysia in early 2014 as part of its efforts to make Malaysia its launch pad to venture into the ASEAN region, and it has since made significant inroads in the local communication products market.

KCCCI is not only duty-bound to safeguard the interest and rights of the Chinese business community but also strives to create an 'All-Win' platform to generate more business opportunities for the Malaysian Chinese business community. In particular, the KCCCI is highly concerned about the Small and Medium Enterprises which are faced with severe challenges.

In this aspect, the KCCCI believes that KYICE is a powerful platform for businesses to go global by pooling and leveraging their resources and building market networks.

KCCCI has successfully promoted the establishment of Friendship Cities ties between Klang and Yiwu and created an All Win platform by organising the KYICE for enterprises from Yiwu, Malaysia and other ASEAN countries to showcase their high quality products and brands. It has invited, through foreign consulates in Malaysia, international buyers to take part in the exhibition.

The theme of the 2nd Klang Yiwu Friendship Cities International Commodities Exhibition 2014 is "Advances in Asean, Towards the Middle East", and KCCCI hopes that this platform will be able to create billion-worth of business opportunities for the participants. I take this opportunity to wish the organisers and participants great success.

突破预期·再接再厉

“2013年第1届巴生义乌友好城市国际商品展暨义博会境外马来西亚展”圆满结束后，筹委会马不停蹄筹备第2届展会，在马中政府机构、非政府组织及商家鼎立支持下，第2届展会取得突破，展览摊位已比首届超过50个，总数250个。

巴生中华总商会在推动“巴生义乌友好城市国际商品展暨义博会境外马来西亚展”中，坚守协助国内商家的原则，力邀大马华商、中国义乌及其他城市，以及东盟商家参展，积极协助马中和过内企业，在两国投资及拓展业务。展会目标为强化巴生作为世界级港口城市的优势，借以协助中国商家开拓南亚洲市场，并更快捷、精准的为海内外企业与专业买家衔接合作平台，寻找商业伙伴，将马中产品推往全球，打造巴生成为国际商贸城。

本届展会内容包括主题展区，高峰论坛，商业配对洽谈会及文化交流。2014年展也将延伸“主题展区”，分为本地馆、国际馆，还设有美食节、讲座馆等。“主题活动”盛情邀请海内外企业界名人和专家，主讲高峰论坛和讲座会。

“商业洽谈会”活动在去年创下千场的记录，这项为有意投身某商贸项目或寻找生意合作伙伴者，提供最便利的商业配对洽谈平台。今年也将持续主办，每天将有不同的商家驻守场内，与入场商家面对面交流。

获得参观者及游客大力赞好的“美食节”，也将在今年加入新主题，邀请国内著名小吃食肆参与，也加入许多新元素。

我感激筹委会全体成员及秘书处的努力和付出，巴生中总全体董事会的支持，让我们成功举办举办这项展会。我期望借此展会，全体参展商及参与商业配对洽谈会的商家会蒸蒸日上，并迈向新里程碑。

“强化巴生经济活动，为海内外商家开拓商机及搭建新平台”，是“巴生义乌友好城市国际商品展暨义博会境外马来西亚展”的初衷，最后我祝愿展会圆满成功，谢谢。

Creating success beyond expectations

Following the successful conclusion of the 1st Klang Yiwu Friendship Cities International Commodities Exhibition & Yiwu Fair @ Malaysia in 2013(KYICE), the Organising Committee wasted no time to organize the second exhibition. Thanks to the strong support and cooperation from the relevant authorities, non-governmental organisations and business communities in Malaysia and China, the number of exhibition booths for this year's exhibition totals 250, or 50 more than the previous event, achieving a breakthrough for the organisers.

In promoting the 2nd Klang Yiwu Friendship Cities International Commodities Exhibition & Yiwu Fair @ Malaysia 2014, the Klang Chinese Chamber of Commerce and Industry (KCCCI) has always adhered to the principle of assisting the local business community and inviting Malaysian Chinese business people, enterprises from Yiwu and other cities in China, and other ASEAN countries to take part in the fair, thereby assisting enterprises from both countries to invest and expand their business. The KYICE is aimed at boosting the advantage of Klang as a world class port city, assisting businesspeople from China to explore and open their market in South Asia, providing a faster, more precise platform of cooperation for foreign and local enterprises and professional buyers in search of business partners, introducing Malaysian and Chinese products to the global market, and transforming Klang into an international trade city. The 2014 exhibition features themed exhibition zones, seminars and summits, business matching and cultural interactions. In addition, the themed exhibition zones have been expanded to comprise the Local Pavilion, International Pavilion, Food Court, and Seminar Rooms. Well-known local and foreign corporate personalities and experts will be invited to speak at seminars and summits in the Themed Activities.

During the 2013 exhibition, the Business Matching recorded a total of some 1000 matching sessions, making it the most convenient business matching platform for businesspeople looking for business projects or partners. As a highlight of the KYICE, the Business Matching segment will continue to be featured to enable businesspeople to engage in face-to-face interactions.

The Food Court which was much praised by visitors and tourists during the first exhibition, will incorporate a new theme this time by featuring famous local and foreign snack outlets to add flavor and choice to the delicacies offered at the Food Court.

I would like to thank my Organising Committee and the Secretariat for their tireless efforts and contributions in making this exhibition possible. I wish participants of the exhibition and business matching sessions success in their future business undertakings.

The primary object of the 2nd Klang Yiwu Friendship Cities International Commodities Exhibition & Yiwu Fair @ Malaysia is to strengthen the economic activities of Klang and create a new platform for local and overseas business people. With that, I wish the exhibition great success. Thank you.

巴生中华总商会简介 Introduction of KCCCI

创始于1946年5月28日的巴生中华总商会（巴生中总），是一个会员业务涵盖农业、建筑、资讯、制造、服务与贸易等的工商组织。

在国内，巴生中总充当华商与政府部门的桥梁，透过马来西亚外贸促进局（MATRADE），积极对外招商，并积极强化与深化巴生作为世界级港口城市的优势，以打造巴生成为东南亚区域的进出口转站，乃至国际贸易中心。

对国外，巴生中总一直积极参与世界华商活动，与全球华商与海外采购商，建立良好商贸联系网络。除了经常接待来自中国各省各市的招商团，巴生中总亦不时率团到国外参与商展，并多次组团到东盟各国考察商机，包括泰国、缅甸和印尼等，与当地商团缔结一定联系。

巴生中总向来鼓励本地中小型企业走向国际市场，为进一步扩大与推动马来西亚商贸网络，巴生中总自2012年10月21日起，积极与中国义乌缔结在经贸上的友好城市关系，并强化与促成两市经济与文教的合作及互动，同时率领批发商到义乌进行贸易、投资与采购考察，一切双边交流皆让巴生逐步迈向成为国际商贸城的目标。

巴生与有“全球最小商品批发市场”之称的义乌一样，同属经济贸易重镇。而巴生也估计有约95间船运公司和代理、300间报关行、25个货柜储房中心，以及超过70间罗厘与货柜拖格公司，一站式物流服务齐全，为进出口商提供更大的便利。

巴生中总期望在巴生所拥有的优势，并借力中国义乌这世界小商品批发城，通过“巴生义乌友好城市国际商品展暨义博会境外马来西亚展”，深化巴生义乌关系，也同时深化东协各国的贸易关系，以开拓更大的商机。

Founded on May 28, 1946, the Klang Chinese Chamber of Commerce and Industry (KCCCI) is a business organisation comprising members from the agricultural, construction, information, manufacturing, services and trade sectors.

At the domestic front, KCCCI serves as a bridge between the Chinese business community and government agencies. It actively seeks foreign investments through the Malaysian External Trade Development Corporation (MATRADE) while strengthening and reinforcing the competitive edge of Klang as a world-class port city so as to transform Klang into an import-export entrepot for Southeast Asia and eventually an international trading hub.

Beyond the shores of Malaysia, KCCCI actively participates in activities involving Chinese business people from across the globe and has established cordial, good business ties and networks with Chinese entrepreneurs and buyers from all over the world. The Chamber regularly receives investment and trade missions from provinces and municipalities from China and leads delegations to take part in overseas trade fairs and visits to ASEAN countries such as Thailand, Myanmar and Indonesia, establishing ties with local chambers of commerce.

KCCCI strives to encourage local small and medium enterprises (SME) to venture into the international market. As part of its efforts to promote and expand Malaysia's business networks, KCCCI since October 21, 2012, has been actively building friendly relations with China's internationally-famed trade city, Yiwu by fostering and forging cooperation and exchanges between Klang and Yiwu in the economic and trade areas. In addition, it has led local wholesalers to Yiwu for trade, investment and procurement purposes. All these efforts and bilateral collaboration help pave the way for Klang to achieve its goal of becoming an international trade city.

Like Yiwu, which is the world's largest small commodities wholesale market, Klang is a strategic economic and trade city. It is estimated that there are about 95 shipping companies and agencies, 300 forwarding companies, 25 container warehouses, and over 70 truck and container hauling companies in Klang, providing one-stop logistic services and great convenience for both importers and exporters.

KCCCI hopes to take full advantage of the many pluses Klang has and the leverage offered by Yiwu through the Klang Yiwu Friendship Cities International Commodities Exhibition and Yiwu Fair @ Malaysia to deepen the ties between the two cities as well as the trade relation among ASEAN nations to create more business opportunities.

In its efforts to deepen the ties between Klang and Yiwu City of China after the successful establishment of Friendship Ties between the two cities in 2012, the Klang Chinese Chamber of Commerce and Industry (KCCCI) organized the inaugural Klang Yiwu Friendship Cities International Commodities Exhibitions and Yiwu Fair @ Malaysia (KYICE) which received overwhelming response and acclaims from local and foreign enterprises and visitors alike.

To further promote exchanges and cooperation among entrepreneurs from the two cities and to assist them to invest and expand their business in Malaysia and China, the KCCCI once again takes upon itself the task to organize the second KYICE from December 5 to 7, 2014 at the GM Klang Wholesale City. It targets to achieve a total turnover of RM30 million from this year's event, offering ample opportunities for participants.

Business people and buyers from Malaysia, Yiwu and other parts of China, ASEAN and the Middle East have been invited to take part in the event. It is expected that the exhibition will attract some 50,000 visitors.

The exhibition will feature the biggest variety of products in an exhibition of its kind held in the region, ranging from finished products to consumer goods, hardware and software, equipment, parts, raw materials and accessories.

Like the previous event, this year's exhibition maintains the four main themed zones with significant improvement. 深化巴生义乌及东盟经贸

巴生中华总商会会长梁家兴博士深信，巴生作为雪州第2大城市，同时与全马最大及世界级贸易港口的西港，以及与吉隆坡国际机场毗邻，其特佳的地理优势，有条件成为国际贸易城，并推展马中两国的贸易，缔造出更亮眼的贸易往来。

筹委会主席拿督陈杰辉在9月10日的记者会上表示，这是巴生中总在推动巴生与义乌缔结友好城市后，为进一步深化两市合作关系而举办。“巴生地理位置在东南亚核心地带，可成为进入东盟、印度、中东、纽澳等国家地区之桥梁。”

第2届商展主题为“挺进东盟，前进中东”，巴生中总副会长拿督吴文钦指出，此次商会也寄望冲出东盟，放眼中东市场，因此，此商展除了深化巴生义乌关系，也同时深化东协各国的贸易关系，以开拓更大的商机。

今届商展比首届多出50%展位，共设300个，并预计150个海外展位，包括中国、东盟及中东国家，另150个国内展位。截至9月中旬，已确定中国义乌将有100家企业参展，其余50个则由中国其他地区如青海、中东和东盟的商家组成。

配合商展，也将举办的美食节，预计将有44个摊位，反应令人鼓舞。拿督陈杰辉深信，此商展将会是巴生有史以来最大型及最多元性的国际展览会，它将提供一个最佳商机的平台。

此商展范围包括了食品工业及农业产品、日常用品、电子和电器产品、机械五金，以及服务业等。

Deepening business ties between Klang, Yiwu and ASEAN

KCCCI President Dr. Leong Kai Hin believed that Klang is poised to become an international trade city to further promote the trade between Malaysia and China given its attributes as the second largest city in Selangor, the Klang West Port, Malaysia's largest and world-class trading port, its proximity with the Kuala Lumpur International Airport, and its strategic geographical location.

He said with the overwhelming success achieved by the first KYICE held last year, this year's exhibition will be bigger in size and is expected to draw some 50,000 visitors as compared to the 30,000 mark recorded previously.

Dato Jeffrey Tan, Organising Chairman of disclosed at a press conference that the exhibition is held to further deepen the cooperative ties between Klang and Yiwu following the establishment of Friendship Cities relations by the two cities. "Geographically, Klang lies in the heart of Southeast Asia and it can be the gateway to ASEAN, India, Middle East, New Zealand, and Australia," he added.

The theme of the 2nd KYICE is "Venturing Into ASEAN and the Middle East". According to KCCCI Vice President Dato Andrew Goh Boon Kim, the KCCCI hopes that this year's exhibition will help local business people to venture beyond ASEAN into the Middle Eastern market. Hence, the exhibition not only aims at deepening the ties between Klang and Yiwu but also the trade link among ASEAN countries to create more opportunities.

The number of booths offered by the 2nd KYICE has increased by 50%, totalling 300, including 150 for overseas exhibitors from China, ASEAN and Middle East while the remaining 150 are for local participants. As at mid-September, some 100 exhibitors from Yiwu have confirmed their participations while the balance 50 booths are expected to be taken up by exhibitors from other parts of China, such as Qinghai, the Middle East and ASEAN regions.

In conjunction with the exhibition, a gourmet fair will be held, offering 44 booths. Response to the fair has been encouraging. Dato Jeffrey Tan believed that the 2nd KYICE will be the biggest and most diversified international exhibition ever held in Klang and it offers the best platform to create business opportunities.

The exhibition features the food industry, agricultural products, daily consumables, electronic and electrical appliances, machinery and hardware, and the service sector.
